

Two Day Workshop on Restructuring and Redesigning the Higher Education Curriculum to Meet Industry Needs

24 - 25 January '18 at SDM Institute for Management Development, Mysore

CII Education Initiatives of Southern Region is organizing its second batch of a two day workshop on **'Restructuring and Redesigning the Higher Education Curriculum to Meet Industry Needs'** on **24-25-January-2018** at **SDM Institute for Management Development, Mysore** (No 1 Chamundi Hill Road,, Siddhartha Nagar,, Mysuru, Karnataka 570011). The primary objective of the proposed curriculum restructuring and redesign workshop is to help higher education institutions gain advantage in 'producing' graduates who will meet the changing skill and knowledge demands of the industry.

The workshop is aimed at Principals, Directors, Deans, HODs and Senior Faculties from member institutions and industrialists. Research scholars undertaking research on the workshop topic can also join this workshop. The workshop will also help higher education institutions in enhancing learning outcomes and establish a collaborative, mutually satisfying relationship between the industry and higher education institutions.

THE WORKSHOP IS EXPECTED TO RESULT IN

Increased 'placement'

Upgrade in quality of collegiate education through practice-orientation

Enhancement of faculty competencies through exposure to industry best practices

Industry immersion for students through targeted industry collaboration

FOCUSED INPUTS

- Alignment with NSQF levels for Knowledge, Skills and Aptitude
- Research and Development with Innovation
- Entrepreneurship Development
- Industry Demands for Skills

CHALLENGES

- Changing Business Environment – reducing product life cycles; technology; aspirations due to demographic changes; social interaction
- Dynamic Business Vs Static Education
- Regulation Vs Empowerment
